

Linacre Football 2021-22

October 7th 2021 Linacre V Star of the Sea (Away) 7-0

This was a superb team performance. The players all supported each other and we saw some impressive, flowing football.

Making her debut was Nitika. Her early nerves didn't last long as she quickly found her confidence. Joseph certainly had his lucky boots on, scoring a hat-trick in the first half (and the first goal in the second half, a total of 4, making Linacre history!) Mason was peppering the goal from all angles and distances, but was thwarted every time by the post or cross bar. Jade was strong again this week in defence. Alan's hard work was repaid with a well-worked goal. Charlie was a steady reliable influence on the pitch. Khalid worked hard up front in his endeavours to score.

H-T: 4-0

Early on in the second half, Joseph went on a mesmerising run which was eventually closed down, however he scored his fourth of the match shortly after. Mason was undeterred and continued taking excellent shots at Star's goalie. He was not to be goalless and produced a fantastic long-range shot which the keeper did well to keep out. Heavar was starting to grow in confidence and get around the pitch more freely. It was following some excellent attacking play that he scored his first goal for Linacre. Jack was finally called upon to touch the ball and cleared it away from danger with an enormous goal clearance. This spurred Alan on and he then was unlucky when an excellent strike went wide of the post. And finally, just before the final whistle, Mason's determination and resilience was repaid when he scored a wonderful goal from out wide on a very tight angle.

F-T: 7-0

Special mention goes to the following who played their first match for Linacre:
